I authorize the City of Belle Plaine Zoning Administrator or designee and the City of Belle Plaine Building Official or designee to enter upon the property to perform needed inspections. If entry is refused, the Inspector shall have recourse to the remedies by law to secure entry. Electrical permits with a fee of \$250 or less expire 12-months from filing date. The owner must have the work completed within the 12-month period. If a permit expires, a new permit that includes a required fee for uncompleted work must be issued. Inspection fees do not carry over from one permit to another. I agree to pay all fees, even if I choose not to proceed with the work. Refunds shall be per the City of Belle Plaine Fee Schedule. A request in writing shall be submitted within 180 days of fee payment by the original applicant. I hereby acknowledge that I have read this application and state that all information is true and correct to the best of my knowledge. I further agree that all work performed will be in accordance with approved plans, specifications and conditions, and to abide by all of the ordinances of the City and the Laws of the State of Minnesota regarding actions taken pursuant to this permit.

By signing this document, I certify that I am the owner as defined by MM Statute Section 326.01 and will legally perform the electrical work as noted on the attached disclaimer. Signed disclaimer must accompany this application.	<b>Signature of Applicant:</b>
